

# WE ARE HIRING OUR FUTURE COLLEAGUE

## ARCHITECT (f/m/x)

### ABOUT US

Befimmo and Silversquare have recently set up a **dynamic start-up** “Not a bike Shop” that creates distinctive spaces in office design, retail design, housing, hotels, events,... whose design combines comfort, aesthetics and efficiency.

Based in Brussels, the start-up was created in an **artistic spirit** and collaborates extensively with local artists, not forgetting that we are evolving in a hybrid and fast-changing world.

Our mission is to create **unique spaces** thanks to a team of architects and designers who break the codes in an open-minded, responsive and dynamic way. The diversity of our team makes all the difference, and this can be felt in the atmosphere of the places we create.

Fun and enjoyment at work are an important part of our daily lives. Yes, we work hard, but we also like to share a drink at our after-work parties and get-togethers!

### ABOUT THE JOB

On a **Management Contract** base, you will be part of a thriving team of architects and project managers and will be responsible for conceptualizing and drawing the interior plans for innovative workspaces. You work with renowned designers on the design of new coworking spaces and you are responsible for the follow-up and control of administrative, technical and town-planning of new projects.

#### **Your main responsibilities:**

- Managing projects from the Initial briefing through to the final stages of construction.
- Meeting with decorators/artists and determining their needs and requirements.
- Developing and presenting project proposals
- Adjusting drawings and plans to meet NABS needs.
- Follow-up of the refurbishment projects.
- Adhering to budgets and timelines.

### ABOUT YOU

You have a sincere passion for design and architecture, comprehend artistic decisions and are interested in the complete artistic scene.

- A master's degree in architecture with a great interest In design & interior architecture
- At least 6 to 10 years of experience
- Fluent in Dutch and French, professional level of English
- Ability to work with artists and designers: you have an artistic eye
- Excellent organizational skills
- Rigorous, efficient and solution minded
- Strong creative and visualization skills
- Social and people-oriented
- Team player
- Ability to work independently
- Strong ability to handle pressure
- Flexible
- 3D & Rendering skills are appreciated
- Ability to work with: Cad/Autocad, Photoshop, Sketchup, Excel

**ARE YOU A MATCH ? Do you want to be part of the History?**
