CHANGE OF CONTROL NOTICE

Reference is made to the terms and conditions of the Bonds (the “**Conditions**”). Unless otherwise defined herein, capitalised terms used in this notice shall have the meanings given to them in the Conditions.

This is a Change of Control Notice delivered pursuant to Condition 4.5.2.2 (*Change of Control Notice*).

The Issuer hereby gives notice of the occurrence of an Event of Early Repayment and the beginning of the Change of Control Put Exercise Period.

Description of the Event of Early Repayment

As you will have seen from our press release dated 1 June 2022 published on our website (<https://www.befimmo.be/en/takeover-offer>), the Issuer announced the publication by Alexandrite Monnet Belgian Bidco SA (the “**Bidder**”), an entity fully controlled by one of Brookfield’s real estate private funds, of a prospectus in which it sets out the details of the voluntary public tender offer in cash (the “**Offer**”) filed on 25 February 2022 to acquire all shares of the Issuer at an offer price of €47.50 per share (the “**Prospectus**”), and the publication of the response memorandum in which the Board of Directors of the Issuer confirmed its unanimous support for this offer.

As set out in the Prospectus, the Initial Acceptance Period (as defined in the Prospectus) opened on 7 June 2022 and ended on 5 July 2022.

On 12 July 2022, the Bidder announced that, during the Initial Acceptance Period, 22,718,167 shares of the Issuer have been tendered to the Offer.

The Initial Settlement Date (as defined in the Prospectus) occurred and the Offer price was made payable on 27 July 2022. The Bidder now owns 79.86% of the shares of the Issuer. Taking into account the treasury shares held by the Issuer, it controls a total of 84.94% of the shares of the Issuer.

As a result, a Change of Control has occurred and the Relevant Announcement Date on which this Change of Control has been made public is 12 July 2022.

On 28 July 2022, the Issuer’s Rating Agency, Standard & Poor’s Financial Services LLC, has lowered the rating assigned to Befimmo to BB+ (see [Standard & Poor’s Report dated 28 July 2022](#)). Accordingly, the Issuer’s rating is no longer Investment Grade and a Non-Investment Grade Rating Downgrade has occurred on 28 July 2022.

Given that this Non-Investment Grade Rating Downgrade occurred within 120 days from the Relevant Announcement Date, an Event of Early Repayment as specified in subparagraph (B) of the first paragraph of Condition 4.5.2.1 (*Put Option*) has occurred on 28 July 2022.

Conditions for the Bondholders to exercise their redemption option

Since an Event of Early Repayment Control occurred, each Bondholder has, pursuant to Condition 4.5.2 (*Redemption at the option of Bondholders following a Change of Control*), the right to require the Issuer to redeem all or any part of its Bond(s) on the Change of Control Put Date (as mentioned below) at the Put Redemption Amount (as mentioned below).
