Article 10.3 of the articles of association applies mutatis mutandis to mergers, spin-offs and similar transactions as referred to in articles 12:2 to 12:8, 12:12 to 12:91 and 12:106 of the Code of Companies and Associations. ARTICLE 39: DISTRIBUTION

39.1. Article 7:211 of the Code of Companies and Associations concerning the establishment of a reserve fund is not applicable to companies having the status of a regulated real-estate company by Belgian law in accordance with article 11, § 3, of the BE-REIT law.

39.2. The company shall, by way of remuneration of the capital, distribute an amount that shall correspond at least to the positive difference between (i) 80% of the amount determined according to the table in Chapter III of Annex C of the BE-REIT royal decree and (ii) the net decrease, in the course of the same financial year, of the indebtedness of the company as specified in article 13 of the BE-REIT royal decree.

39.3. The company shall simultaneously comply with the obligations regarding distributions that have been imposed on it or that may be imposed on it by the laws of any State that may be applicable to it and in particular the obligations regarding distribution that may be imposed on it by virtue of its acceptance of the status of "*Société d'Investissements Immobiliers Cotée*" ("SIIC") ("Listed Company for Real Estate Investments" – "LCREI") in accordance with article 208 - C of the "*Code Général des Impôts français*" ("General Code of French Taxes") on the ground of its transactions in France.

ARTICLE 40: PROVISIONS REGARDING SHAREHOLDERS SUBJECT TO WITHHOLDING

- 40.1. For the purpose of the following paragraphs, the term '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") must be understood as any shareholder, other than a natural person, who directly or indirectly holds 10% or more of the rights to dividend distributed by the company and whose personal situation – or the situation of his shareholders who, prior to the payment of any distribution, directly or indirectly hold ten percent (10%) or more of the rights to dividend from the company – implies that the company is liable of a withholding equal to twenty percent (20%) (le '*Prélèvement*' or the "Withholding",) as specified in article 208 C II ter of the "*Code Général des Impôts français*" ("General Code of French Taxes").
- 40.2. If the ten percent (10%) threshold of the capital of the company (to be understood as the possession of ten percent (10%) or more of the rights to dividend paid out by the company) is directly or indirectly exceeded, any shareholder other than a natural person ("Concerned Shareholder") ("*Actionnaire Concerné*") shall notify the company thereof and such shareholder shall be deemed an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding").

In the event such shareholder states that he is not an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding"), he must, within a short time period and at the latest ten business days prior to the payment of any distribution, evidence this at the request of the company and, if the company so demands, submit an acceptable and unreserved legal opinion issued by an internationally reputed tax firm with recognised expertise in the field of French tax law, stating that the shareholder is not an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") and that distributions declared payable by the company do not render the company liable for the '*Prélèvement*' ("Withholding"). The company may proceed to request any supporting document, additional data or the point of view of the French tax administration and, as the case may be, until satisfactory answers have been obtained, retain the distribution concerned. Any '*Actionnaire Concerné*' ("Concerned Shareholder") must within a short period of time inform the company of any modification in its tax position whereby it would acquire or lose the capacity of '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") by justifying such event, in the event of loss of this status, in the manner as indicated above.

- 40.3 Every '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") shall, at the time of payment of each distribution, become a debtor of the company for an amount that corresponds with the amount of the Withholding which the company by way of distribution of dividends, reserves premiums or '*returns deemed distributed*' as defined in the General Code of French Taxes owes.

In the event that the company directly and/or indirectly would possess a percentage of the rights to a dividend that is at least equal to what is specified in article 208 C II ter of the General Code of French Taxes of one or more '*Sociétés d'Investissements Immobiliers Cotées*' ("SIICs") as specified in article 208 C of the General Code of French Taxes ('SIIC Fille') and in which the SIIC Fille as a result of the capacity of the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") would have settled the Withholding, the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") must, as the case may be, indemnify the company, either for the amount that the company has paid out to the SIIC Fille, by way of compensation for the payment of the

Withholding by the SIIC Fille, or, in the absence of a compensation to the SIIC Fille by the company, for an amount that is equal to the Withholding paid by the SIIC Fille, multiplied by the percentage of the rights to receive a dividend of the company in the SIIC Fille, in such a manner that the other shareholders of the company do not contribute in an economical manner to whichever fraction of the '*Prélèvement*' ("Withholding") paid by whichever SIIC in the holding chain because of the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") (the so-called '*Indemnisation Complémentaire*' - "Additional Compensation").

The amount of this '*Indemnisation Complémentaire*' ("Additional Compensation") shall be borne by all '*Actionnaires à Prélèvement*' ("Shareholders Subject to Withholding") in proportion to their respective rights to dividends, divided by the total number of rights to dividends of the '*Actionnaires à Prélèvement*' ("Shareholders Subject to Withholding").

The capacity of '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") is established at the time of payment of the distribution.

- 40.4. The company has the right to proceed to a set-off between its claim seeking damages from any '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") on the one hand and the amounts which the company must pay in favour of this shareholder on the other hand. In such a manner, the amounts retained from the company's profits exempted from corporation tax pursuant to article 208 C II of the General Code of French Taxes and which pursuant to each share must be paid out in the hands of the said '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") pursuant to the above-mentioned decision to distribute or to repurchase of shares in his favour, shall thus be reduced up to the amount of the Withholding due by the company for the distribution of these amounts and/or up to the '*Indemnisation Complémentaire*' ("Additional Compensation").

The amount of each compensation due by an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") shall be calculated in such a manner that the company, after payment thereof and taking account of possible application of tax laws, shall be placed in the same position as if the Withholding would not have become due.

The company and the '*Actionnaires Concernés*' ("Concerned Shareholders") shall cooperate in good faith so that all reasonable measures shall be taken to reduce the amount of the Withholding (still) due and the compensation possibly resulting therefrom. In the event (i) after the distribution of a dividend, reserves or premiums or '*produits réputés distribués*' ("returns deemed distributed") as defined in the General Code of French Taxes levied on the profits of the company or on the profits of a SIIC Fille, exempted from corporation taxes pursuant to article 208 C II of the General Code of French Taxes, it would appear that a shareholder would be an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") on the date of payment of the said amounts and (ii) in which the company or the SIIC Fille should have proceeded to the payment of the Withholding on the amounts thus paid, without said amounts having been the subject of the set-off specified in the first subparagraph of this paragraph, then the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") shall be liable to pay to the company, by way of compensation for the damages that the latter sustains, and notwithstanding partial or full transfer of the shares that occurred in the meanwhile, an amount that is equal to, on the one hand, the Withholding which the company had to discharge for each share of the company that it held at the time of the payment of the distribution of dividends, reserves or premiums concerned, increased with every fine and interests and, on the other hand, as the case may be, the amount of the '*Indemnisation Complémentaire*' ("the Additional Compensation") (the '*Indemnité*' - the "Compensation").

The company shall be entitled, as the case may, be to proceed to a set-off to the appropriate extent between its claim on the ground of the "Compensation"

(*'l'Indemnité'*) and all amounts that may be payable at a later stage for the benefit of this '*Actionnaire à Prélèvement'* ("Shareholder Subject to Withholding") and such, as the case may be, without prejudice to the prior application in respect of the said amounts of the set-off specified in the first subparagraph of this paragraph. In the event the company, after realization of such a set-off, remains, on the ground of the "Compensation" (*'l'Indemnité'*), a creditor of the '*Actionnaire à Prélèvement'* ("Shareholder Subject to Withholding"), it shall be entitled to proceed once again to a set-off to the appropriate extent with all amounts that later may be made payable for the benefit of this '*Actionnaire à Prélèvement'* ("Shareholder Subject to Withholding") and this until said debt has been definitively settled.

ARTICLE 41: INTERIM DIVIDENDS

Dividends are paid out on the dates and at the places determined by the Board of Directors.

The latter may decide under his personal liability, in compliance with the law, on the payment of the advances on dividends; he determines the amount and the payment dates of such advance(s).

Annual and half-yearly financial reports, annual and half-yearly financial statements of the company as well as the auditor's reports are available on the company's website.

Additionally, the annual financial report is available in the form of a brochure sent to all registered shareholders and provided to any other shareholder upon request.
