<p><i>In the context of the making available of real estate, the company can, in particular, exercise all activities related to the construction, rebuilding, renovation, development, acquisition, disposal, management and exploitation of real estate.</i></p> <p><i>§2. On an ancillary or temporary basis, the company may make investments in securities which are not real estate within the meaning of the RREC regulations. These investments will be made in compliance with the risk management policy adopted by the company and will be diversified in a way to ensure an adequate risk diversification. The company can also hold unallocated liquidities, in any currency, in the form of cash or term deposit or in any instrument of the monetary market that can be easily mobilised.</i></p> <p><i>It may also trade in hedging instruments, with the exclusive aim to hedge the interest rate and exchange risk in the context of the financing and management of real estate of the company and with the exclusion of any transaction of a speculative nature.</i></p> <p><i>§3. The company may take or give one or more real estate assets in finance-lease. The activity of giving real estate assets in finance-lease with a purchase option can only be carried out in ancillary order, save where these real estate assets are intended for the public interest including social housing and education (in which case the activity can be carried out as a primary activity).</i></p> <p><i>§4. The company may by way of a merger or otherwise, take an interest in all businesses, undertakings or companies having a similar or related purpose and which are of a nature that favours the development of its business, and, in general, to do all transactions that are directly or indirectly linked to its corporate purpose as well as all acts that are useful or necessary for the realisation of its corporate purpose.”</i></p> <p><i>The Board of Directors invites you to adopt this proposal.</i></p>
