Regarding the application of the previous sentence, it is allowed to deduct from the amount referred to in the subparagraph above the amount corresponding to the portion of undistributed gross dividend of which the new shares may be deprived, provided the board of directors specifically evidences in his special report the amount of accrued dividend to be deducted and describes the financial conditions of the transaction in the annual financial report;
 - 3° unless the issue price or, in the case described under article 10.5, the conversion

parity, as well as their terms, are determined and published no later than the business day following the conclusion of the contribution agreement, with mention of the term upon which the capital increase will take effect, the capital increase deed is executed within a maximum term of four months; and

4° the report referred to in 1° must also describe in detail the impact of the proposed contribution on the situation of the former shareholders, particularly regarding their part in the profit, the net value per share and the capital, as well as the impact in terms of voting rights.

- 10.4 Article 10.3 of the articles of association does not apply in case of contribution of the right to dividend with regard to an optional dividend distribution provided the granting of the latter is effectively open to all shareholders.

Pursuant to the RREC regulation, in the event of a capital increase of a subsidiary with the status of institutional RREC by means of a cash contribution at a price lower by 10% or more of the lowest value between (a) a net value per share determined no later than four months prior to the opening of the issuance and (b) the average of closing prices over the 30 calendar days preceding the opening day of the issuance, the board of directors shall write a report describing the economic rationale of the applied discount, the financial consequences of the transaction for Befimmo shareholders, and the advantages of the capital increase envisioned for Befimmo. This report, as well as the criteria and valuation methods used, shall be discussed by the auditor of Befimmo in a separate report.

It is allowed to deduct from the amount referred to in the subparagraph above the amount corresponding to the portion of undistributed gross dividend of which the new shares may be deprived, provided the board of directors specifically evidences the amount of accrued dividend to be deducted and describes the financial conditions of the transaction in the annual financial report of the company.

In the event the concerned subsidiary is not listed, the discount referred to in subparagraph 1 is only calculated based on a net value per share determined no later than four months earlier.

ARTICLE 41 : PROVISIONS REGARDING SHAREHOLDERS SUBJECT TO WITHHOLDING

- 41.1 For the purpose of the following paragraphs, the term '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") must be understood as any shareholder, other than a natural person, who directly or indirectly holds 10% or more of the rights to dividend distributed by the company and whose personal situation – or the situation of his shareholders who, prior to the payment of any distribution, directly or indirectly hold ten percent (10%) or more of the rights to dividend from the company – implies that the company is liable of a withholding equal to twenty percent (20%) (le '*Prélèvement*' or the "Withholding"), as specified in article 208 C II ter of the "*Code Général des Impôts français*" ("General Code of French Taxes").
- 41.2 If the ten percent (10%) threshold of the capital of the company (to be understood as the possession of ten percent (10%) or more of the rights to dividend paid out by the company) is directly or indirectly exceeded, any shareholder other than a natural person ("Concerned Shareholder") ("*Actionnaire Concerné*") shall notify the company thereof and such shareholder shall be deemed an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding").

In the event such shareholder states that he is not an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding"), he must, within a short time period and at the latest ten business days prior to the payment of any distribution, evidence this at the request of the company and, if the company so demands, submit an acceptable and unreserved legal opinion issued by an internationally reputed tax firm with recognised expertise in the field of French tax law, stating that the shareholder is not an '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") and that distributions declared payable by the company do not render the company liable for the '*Prélèvement*' ("Withholding"). The company may proceed to request any supporting document, additional data or the point of view of the French tax administration and, as the case may be, until satisfactory answers have been obtained, retain the distribution concerned. Any '*Actionnaire Concerné*' ("Concerned Shareholder") must within a short period of time inform the company of any modification in its tax position whereby it would acquire or lose the capacity of '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") by justifying such event, in the event of loss of this status, in the manner as indicated above.

- 41.3 Every '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") shall, at the time of payment of each distribution, become a debtor of the company for an amount that corresponds with the amount of the Withholding which the company by way of distribution of dividends, reserves premiums or '*returns deemed distributed*' as defined in the General Code of French Taxes owes.

In the event that the company directly and/or indirectly would possess a percentage of the rights to a dividend that is at least equal to what is specified in article 208 C II ter of the General Code of French Taxes of one or more '*Sociétés d'Investissements Immobiliers Cotées*' ("SIICs") as specified in article 208 C of the General Code of French Taxes ('SIIC Fille') and in which the SIIC Fille as a result of the capacity of the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") would have settled the Withholding, the '*Actionnaire à Prélèvement*' ("Shareholder Subject to Withholding") must, as the case may be, indemnify the company, either for the amount that the company has paid out to the SIIC Fille, by way of compensation for the payment of the Withholding by the SIIC Fille, or, in the absence of a compensation to the SIIC Fille by the company, for an amount that is equal to the Withholding paid by the SIIC Fille, multiplied by the percentage of the rights to receive a dividend of the company in the SIIC Fille, in such a manner that the other shareholders of the company do not contribute in an economical manner to whichever fraction of the '*Prélèvement*' ("Withholding") paid by whichever SIIC in the holding chain because of the '*Actionnaire à*

Prélèvement (“Shareholder Subject to Withholding”) (the so-called *‘Indemnisation Complémentaire’* - “Additional Compensation”).

The amount of this *‘Indemnisation Complémentaire’* (“Additional Compensation”) shall be borne by all *‘Actionnaires à Prélèvement’* (“Shareholders Subject to Withholding”) in proportion to their respective rights to dividends, divided by the total number of rights to dividends of the *‘Actionnaires à Prélèvement’* (“Shareholders Subject to Withholding”). The capacity of *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) is established at the time of payment of the distribution.

- 41.4 The company has the right to proceed to a set-off between its claim seeking damages from any *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) on the one hand and the amounts which the company must pay in favour of this shareholder on the other hand. In such a manner, the amounts retained from the company’s profits exempted from corporation tax pursuant to article 208 C II of the General Code of French Taxes and which pursuant to each share must be paid out in the hands of the said *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) pursuant to the above-mentioned decision to distribute or to repurchase of shares in his favour, shall thus be reduced up to the amount of the Withholding due by the company for the distribution of these amounts and/or up to the *‘Indemnisation Complémentaire’* (“Additional Compensation”).

The amount of each compensation due by an *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) shall be calculated in such a manner that the company, after payment thereof and taking account of possible application of tax laws, shall be placed in the same position as if the Withholding would not have become due.

The company and the *‘Actionnaires Concernés’* (“Concerned Shareholders”) shall cooperate in good faith so that all reasonable measures shall be taken to reduce the amount of the Withholding (still) due and the compensation possibly resulting therefrom.

In the event (i) after the distribution of a dividend, reserves or premiums or *‘produits réputés distribués’* (“returns deemed distributed”) as defined in the General Code of French Taxes levied on the profits of the company or on the profits of a SIIC Fille, exempted from corporation taxes pursuant to article 208 C II of the General Code of French Taxes, it would appear that a shareholder would be an *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) on the date of payment of the said amounts and (ii) in which the company or the SIIC Fille should have proceeded to the payment of the Withholding on the amounts thus paid, without said amounts having been the subject of the set-off specified in the first subparagraph of this paragraph, then the *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) shall be liable to pay to the company, by way of compensation for the damages that the latter sustains, and notwithstanding partial or full transfer of the shares that occurred in the meanwhile, an amount that is equal to, on the one hand, the Withholding which the company had to discharge for each share of the company that it held at the time of the payment of the distribution of dividends, reserves or premiums concerned, increased with every fine and interests and, on the other hand, as the case may be, the amount of the *‘Indemnisation Complémentaire’* (“the Additional Compensation”) (the *‘Indemnité’* - the “Compensation”).

The company shall be entitled, as the case may, be to proceed to a set-off to the appropriate extent between its claim on the ground of the “Compensation” (*‘l’Indemnité’*) and all amounts that may be payable at a later stage for the benefit of this *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) and such, as the case may be, without prejudice to the prior application in respect of the said amounts of the set-off specified in the first subparagraph of this paragraph. In the event the company, after realization of such a set-off, remains, on the ground of the

“Compensation” (*l’Indemnité*), a creditor of the *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”), it shall be entitled to proceed once again to a set-off to the appropriate extent with all amounts that later may be made payable for the benefit of this *‘Actionnaire à Prélèvement’* (“Shareholder Subject to Withholding”) and this until said debt has been definitively settled.
